This religious freedom for the Muslims and other minorities was the main idea behind the foundation of Pakistan. But unfortunately, right after the foundation ...

History of Pakistan in Urdu " Download PDF - Urdumania

For most of human history, people lived and worked on farms in extended families and this was the foundation of their economic security. However, this changed as the developed world underwent the Industrial Revolution. The extended family and the family farm as sources of economic security became less common as more and more people became wage-earners, working for others. Along with the shift ...
