

a world history of pdf

A History of the World is a book about the great change-makers of history and their times, people such as Cleopatra, Genghis Khan, Galileo and Mao, but it is also a book about us. For the better we understand how rulers lose touch with reality, or why revolutions produce dictators more often than they produce happiness, or why some parts of the world are richer than others, the easier it is ...

world or global history is often mentioned, but even a brief inquiry into the course descriptions and the syllabi usually shows that what is on offer follows national trajectories, projecting a set of highlights and shadows linked to each country's history

World and Global History – Research and Teaching

The history of the world, in common parlance, is the history of humanity (or human history), as determined from archaeology, anthropology, genetics, linguistics, and other disciplines; and, for periods since the invention of writing, from recorded history and from secondary sources and studies.
